

Partners of Stoughton Hospital

The Partners of Stoughton Hospital is an organization that provides financial and volunteer support to the hospital in a variety of ways. Partners receive a monthly newsletter, a free flu vaccination every fall, a complimentary appreciation luncheon and a 10% discount on purchases in the Stoughton Hospital Gift Shop.

History

The Stoughton Hospital Auxiliary was organized in the mid 1950's with the same objectives and mission we honor today. We aim to serve as goodwill ambassadors and provide assistance to the hospital staff and patients in a volunteer capacity. In 2005, we changed our name to the Partners of Stoughton Hospital to expand our membership to include men and women. We now have over 200 members and continue to grow.

Volunteer Opportunities

Every year the Partners donate over 10,000 hours of volunteer service at Stoughton Hospital. Members volunteer in the following areas and wherever else help is needed:

- Gift Shop
- Front Desk Reception
- Escort
- Food & Nutrition Services
- Clerical
- Home Health

Fundraising

Through our fundraising efforts we are able to donate many thousands of dollars annually to Stoughton Hospital. This money provides for scholarships, equipment and programs that benefit the hospital. We also support our community with donations to special projects such as the city's safety camp and special education events. The Partners also sponsor a Wigs for Patients program.

Present fundraising efforts include:

- Book Fairs
- Plant Sales
- Cookie Bakes
- Card Parties
- Love Light Campaign
- Bake/Craft/Sales
