Did You Know:

64% of kids age 12 to 17 who have abused pain relievers say they got them from their friends, relatives or people they know, without their knowledge.

**We never accept sharps in our drop box.
However, on this day, EPD staff will be
available to accept sharps.**

- ◆ Sharps must be dropped off in a registered sharps container!
No exceptions!
- ◆ If possible, leave all medications in their original containers. You may black out any personal information on the bottle with a marker.
