

Share the Care

Join Joan Litwitz, Share The Care Project Coordinator, to learn more about the dynamic Share the Care Program. Share the Care is a community care support model that shows families, friends, neighbors, and community how to become a powerful group of friends to help someone with Alzheimer's or other forms of dementia stay supported and independent.

This presentation will offer practical solutions for people who need help organizing and maintaining a circle of support needed to live happily and healthy.

This talk will be presented twice on September 27th.

**Wednesday, September 27th
10 a.m.
Stoughton Hospital
900 Ridge Street, Stoughton
Bryant Health Education Center
(lower level)**

**Wednesday, September 27th
6:30 p.m.
Stoughton Public Library
304 S. Fourth St, Stoughton
Carnegie Meeting Room
(lower level)**

To register for either of these free talks, please go to stoughtonhospital.com and click on "Classes & Events."
