

## **MISSION**

**The mission of Stoughton Hospital is to provide safe, quality health care with exceptional personalized service.**

## **VISION**

**We grow to meet the changing needs of the communities we serve and become their hospital of choice.**

## **VALUES**

- ◆ **The patient and family are our number one priority.**
- ◆ **Our mission driven team is committed to open, honest, ethical conduct as the foundation on which organizational excellence is built.**
- ◆ **We are an organization that invests in professional development and technological advancement.**
- ◆ **We are committed to providing safe care in a setting that promotes ease of use and the prevention of harm to individuals from our interventions or environment.**
- ◆ **Sound business management and excellent service to our internal (*physicians and employees*) and external (*patients, families, business contacts and communities we serve*) customers are the keys to long term success.**
- ◆ **We work together to communicate information, improve services, recognize achievement and celebrate our successes.**
- ◆ **We provide benefit to the communities we serve through our services, financial stewardship, promotion of wellness and provision of charity and community care.**
